Dear New Haven Learning Community:

I am honored to serve as your Superintendent. New Haven Public Schools believe that learning does not take a vacation and we are dedicated to consistently expanding our summer and afterschool learning opportunities for our students.

We are intentional about providing programs that will be engaging and fun for our students, while at the same time helping them to meet state and local student standards in core academic subjects, such as reading and math. Our summer and afterschool programs provide a broad array of enrichment activities that complement students' regular academic programs, and offer literacy and other educational services to the families of participating children.

This year we are excited to offer a diverse variety of enrichment opportunities, ranging from our LitCamp program, which sparks student engagement with multiple genres, to our partnership with the Cub Scouts that will offer students outdoor activities such as conservation projects and multiple science experiments. Our programs are designed to foster the social emotional needs of our students; to which many of them also incorporate athletics, arts and music.

I am proud to announce that new to our summer programs this year is the ***Superintendent's Summer Reading Challenge*** that includes the following components:

The District is securing over 40,000 books to distribute free to our students to encourage them to continue to learn and grow academically throughout the summer.

The ***Superintendent's Summer Reading Challenge*** will become an annual citywide program encouraging students to read books during the summer months.

The ***Superintendent's Summer Reading Challenge*** will also become a citywide competition for schools, based on student population and grade level. This year, the schools with the highest percentage of participating enrollment and the highest number of books read by participating students at the end of the summer will be recognized for their accomplishments.

We encourage you to carefully review this catalog and complete applications as appropriate or contact our Youth Family and Community Engagement office at 475-220-1734.

Your Superintendent,

Dr. Carol D. Birks

Me siento honrada de servir como su Superintendente. Las Escuelas Públicas de New Haven creen que el aprendizaje no toma vacaciones y estamos dedicados a expandir constantemente nuestro verano y oportunidades de aprendizaje después de la escuela para nuestros estudiantes.

Tenemos la intención de proporcionar programas que sean atractivos y divertidos para nuestros estudiantes, mientras al mismo tiempo, les ayudamos a cumplir con las normas estatales y locales de los estudiantes en materias académicas básicas, tales como la lectura y las matemáticas. Nuestros programas de verano y después de clases ofrecen una amplia gama de actividades de enriquecimiento que complementan los programas académicos regulares de los estudiantes y ofrecen alfabetización y otros servicios educativos a las familias de los niños participantes.

Nos complace ofrecer este año, una variedad diversa de oportunidades de enriquecimiento, que van desde nuestro programa "LitCamp," el cual estimula el compromiso de los estudiantes con múltiples géneros, hasta nuestra asociación con los "Cub Scouts," que ofrecerán a los estudiantes actividades al aire libre, como proyectos de conservación y experimentos científicos múltiples. Nuestros programas están diseñados para fomentar las necesidades socio-emocionales de nuestros estudiantes, lo cual muchos de ellos incorporan también el atletismo, el arte y la música.

Me complace anunciar la novedad en nuestros programas de verano este año, la cual es ***El reto de lectura en verano de la Superintendente***, que incluye los siguientes componentes:

El Distrito está asegurando más de 40,000 libros para distribuir en forma gratuita a nuestros estudiantes para estimularlos a que sigan aprendiendo y creciendo académicamente durante todo el verano.

El reto de lectura en verano de la Superintendente se convertirá en un programa anual para toda la ciudad animando a los estudiantes a leer libros durante los meses de verano.

El reto de lectura en verano de la Superintendente también se convertirá en una competencia de toda la ciudad para las escuelas, basado en el cuerpo estudiantil y el nivel de grado. Este año, las escuelas con el mayor porcentaje de inscripciones participantes y el mayor número de libros leídos por los estudiantes participantes al final del verano, serán reconocidos por sus logros.

Le recomendamos que revise cuidadosamente este catálogo y complete las solicitudes según sea apropiado o comuníquese con nuestra oficina de Participación Juvenil, Familias y Comunitaria al 475-220-1734.

History & Mission

The Sullivan Basketball Academy Camp was founded by Tyrese Sullivan in 2014. Prior to that, Tyrese was the former Camp Director of New Haven Hot Shot Basketball Camp. Since then Tyrese has started a Non-profit organization. The Sullivan Basketball Academy Inc. The primary mission of this program is to provide a fun and safe summer camp experience while enhancing the basketball knowledge in each camper. The Sullivan Academy takes pride in being one of the best programs in the Area. We do this by hiring the strongest community leaders at the high school and college level. For 5 weeks the skills of camp participants are enhanced as they learn the value of teamwork, character and sportsmanship through the game of basketball. In addition, the program provides summer job opportunities for High School and college students who seek to become mentors and role models to the children in the area.

GOVERNOR'S READING CHALLENGE VISIT:

<https://portal.ct.gov/SDE/CTRead/Connecticut-Reads>.

Step 1 – click on the link above

Step 2 – Once entered, follow the instructions to obtain information on the Governor's Challenge.

Overview

It is that time of year again to encourage students to participate in **CONNECTICUT READS, the 2019 Governor's Summer Reading Challenge!** Schools compete based on student population and grade level. The program identifies the schools with the highest percentage of participating enrollment and the highest number of books read by participating students.

Student journals, district reporting forms and all other materials are available online. The Governor's Summer Reading Challenge supports community programs run by local public libraries. Many public libraries will utilize the READsquared Reading Program, which allows students to access their summer reading logs anywhere they have an Internet connection (including mobile devices). Schools that coordinate with their public library may choose to have students use this online reading log, rather than a paper one.

HOW TO PERFORM

CPR

ON AN ADULT

If you see someone collapse or find someone lying on the ground:

1 ASSESS THE SCENE

- Quickly check the area for safety hazards, you can't help anyone if you become a victim yourself.

2 CHECK THE VICTIM FOR A RESPONSE

- Tap or shake the victim on the shoulder.

- Shout: "Are You OK?"

3 IF THE VICTIM IS UNRESPONSIVE

- Yell for help.
- Instruct a specific bystander to call

4 CHECK THE VICTIM FOR BREATHING

- Open the victim's airway. Gently tilt the victim's forehead back with one hand, and lift the chin with the other.

- Scan the victim from head to abdomen for breathing. Do this for no more than 10 seconds. Gaspings or gurgling is NOT breathing and CPR should be performed immediately.

CPR - Cardiopulmonary Resuscitation

- The victim must be on a firm and flat surface and facing upwards

1 30 CHEST COMPRESSIONS

- Draw a line, with your hand, from the armpit to the center of the chest

- Place the heel of one hand on the lower half of the sternum or breast bone and place other hand over the first. Interlace fingers.

- Straighten your arms and position your shoulders over the victim's chest.

- Push down to give 30 deep chest compressions in 18 seconds or less. It helps to count out loud.

- Push down hard and fast, 2 inches (or 5 centimeters) deep at the rate of at least 100 compressions per minute.

- Lift your hands slightly off the chest between each compression to allow for full chest re-coil.

2 GIVE 2 RESCUE BREATHS

- Ensure head is tilted back and the chin is lifted.

- Pinch the nose closed and cover the victim's mouth, with your mouth, forming a complete seal.

- Blow in for one second and look for the victim's chest to rise.

- If chest does not rise, re-position if needed.

3 REPEAT STEPS 1 & 2 AND CONTINUE THIS PROCESS UNTIL:

- The victim begins breathing.
- Another trained responder arrives and is ready to take over.

- You are physically unable to continue.

After 5-cycles of CPR, if help is not available and the victim has not resumed breathing, call

9-1-1

4 SIMPLE STEPS FOR BICYCLE SAFETY

Every year thousands of people are injured and hundreds of people are killed while riding bicycles.

1 PROTECT YOUR HEAD
Always wear a helmet.

2 OBEY ALL TRAFFIC LAWS & LIGHTS
Bicycles must follow the rules of the road like other vehicles.

3 ACT LIKE A CAR

Drivers are used to the patterns of other drivers. Don't weave in and out of traffic. The more predictably you ride, the safer you are. Check for traffic. Be aware of traffic around you.

4 USE HAND SIGNALS

Hand signals tell motorists and pedestrians what you intend to do. Signal as a matter of law, of courtesy, and of self-protection.

YOU ARE GOOD TO GO!

Stay safe
