Tuition Fees

The Board of Education shall permit students from other school districts to attend local schools when they can be accommodated in existing classes. The students or their sending district shall pay a tuition fee to be established annually by the Director of Pupil Personnel Services. The tuition fee may be adjusted as changes in costs indicate, unless a multiple-year agreement to provide educational services is entered into with another board of education. Notice shall be given at least one year prior to the discontinuance of service for non-resident, high school students.
