Insurance

The insurance coverage of the district should provide the broadest, most complete coverage available, but should be secured at the most economical cost to the district consistent with sound insurance principles. Since good service is vital to an effective insurance program, the insurance agent who is awarded any part of the district's insurance business must be able to provide prompt and effective service.

The Superintendent, at his/her discretion, may create an insurance advisory panel to assist in developing criteria for designing the insurance program for the district, and to develop criteria for selection of an agent (broker of record) or agents.
