

Business/Non-Instructional Operations

Concept and Roles in Business and Non-Instructional Operations

The Board of Education recognizes that money and money management comprise the foundation of the school district's educational programs and shall work with the Board of Alders and other elected officials to provide adequate appropriations in support of these programs. To make that support as effective as possible, the Board of Education shall:

1. Encourage advance planning through the best possible budget procedures.
2. Develop long-range educational and financial plans to provide appropriate educational programs for students within the community's ability to pay.
3. Explore all practical sources of dollar income.
4. Guide the expenditure of funds so as to extract the greatest educational returns.
5. Establish top-quality, accepted accounting and reporting procedures.
6. Work cooperatively with other appropriate governmental agencies and officials.

The operation and maintenance of school plant and equipment shall set high standards of safety, to promote the health of students and staff, to reflect prudent management of available resources, and to support environmentally the efforts of the staff to provide a good education.
