VI. ADDITIONAL INFORMATION:

Please Answer All Questions -- Use Additional Pages if Necessary

1. a. Please state specific goals for this grant or the grant period.

The specific goals for this grant period are:

1. To serve 50 students at each site. In order for a student to be considered served, that student must attend 60% of the program days.
2. To provide high quality educational, enrichment and recreational activities outside of regular school hours. Meeting the ‘high quality’ component of this goal will be based on evaluations performed by the state. Site visits by the external evaluator will be used to identify program deficiencies so that they can be corrected prior to state inspections.
3. The program shall operate for at least 100 days.
4. 5% of total program funds shall be spent on parent engagement activities.

b. If this is a continuation grant, please detail past year goal performance and accomplishments. Use additional space if needed:

2. How does this grant address School Reform goals?

This grant addresses school reform goals by providing students with increased access to enriching activities and by engaging parents to develop stronger parent/school relationships.

3. Please explain why this proposal is significant and important in relation to improving student and/or staff performance, as well as any additional pertinent information that is specific and relevant: (Include resume of person(s) providing service for contracts \$10,000 and over)

This grant aims to improve student performance by providing activities that reinforce and build upon the regular day curriculum, by providing enriching activities that are not included in the regular day curriculum but that can be considered an enhancement, and by using the diverse program offerings as incentives for students to attend school regularly.
