# Specifications

The New Haven Board of Education Food and Nutrition Department is soliciting Request for Proposals (RFP) for food items (i.e. Bread, Dairy, Meats, Groceries, etc.) for the 2023 summer year and 2023-24 School Year. There are approximately 224 service days in the program and New Haven Food Service Food and Nutrition program serves approximately 20-21,000 meals per day.

In soliciting request for proposals, it is the City's intent to establish a vendor or vendors with the primary objective to improve services, expedite deliveries, streamline paperwork, reduce administrative costs and contain food costs. To achieve these goals, it will also be necessary to maintain continuity of supply for its food service needs as changing brands could potentially introduce unnecessary hardships on our student customers thereby jeopardizing the integrity of our programs. Therefore, the successful responder must be both capable and willing to purchase the brands as specified and from a third-party producer if requested by the City. The City will reserve the right to utilize secondary suppliers if the City determines that doing so would be in the City's best interest.

The City of New Haven reserves the right to award this request for proposal to a prime vendor or multiple vendors or any variation deemed to be in the best interest of the City.

## **CONTRACT PERIOD**

This is a one-year contract. The contract will begin July 1, 2023 and will continue through June 30, 2024. At the sole discretion of the New Haven Public Schools, Food and Nutrition Department, any award under this request for proposal can be renewed for two (2) additional one-year periods.

- I. 1<sup>st</sup> Option to renew period July 1, 2024 to June 30, 2025
- II. 2<sup>ND</sup> Option to renew period July 1, 2025 to June 30, 2026

## **UNIT PRICING:**

The New Haven Public Schools recognizes the effects COVID has had on food pricing and supply chain shortages. All pricing for items shall be firm fixed price for the duration of the contract unless there is a materially dramatic and reasonable unanticipated change in the market.

The New Haven Board of Education, Food and Nutrition Department may entertain a request for a price change (increase or decrease) upon a written request submitted together with details of reasoning and accompanied by supporting documentation to substantiate the request. If the New Haven Board of Education, Food and Nutrition Department agrees to a price change.

If the parties cannot agree on the amount of the change that is in dispute, the price may then be negotiated with the New Haven Board of Education, Food and Nutrition Department with input from the Purchasing Agent. Respondents will be monitored and evaluated to the level of satisfaction during their performance and quality.
