### **Executive Summary/ Statement:**

The general services to be performed by the Contractor shall consist of: speech-language remediation, evaluation, consultation, statistics, PPT attendance, medical reimbursement billing, IEP planning, report writing, goal writing, team collaboration, staff meetings, supervision of graduate students, and/or speech-language assistants and other related services as requested by the Board. Provision of diagnostic and therapeutic tools necessary for services.

### **Amount of Agreement and the Daily, Hourly or per Session Cost:**

\$88,400.00, Agreement Amount;                      \$552.50, Daily Rate;                      \$85.00, Hourly Rate.

### **Funding Source & Account #:**

General Funds, Other Contractual Services, 190-490-56694

**Key Questions:** (Please have someone ready to discuss the details of each question during the Finance & Operations meeting or this proposal might not be advanced for consideration by the full Board of Education):

1. Please describe how this service is strategically aligned to the District Continuous Improvement Plan?  
Speech-language pathologists (SLP) are needed in the district to meet the communicative needs of our "at risk" and disabled students from Pre-K thru 12<sup>th</sup> grade. Success in academic, college and career all require effective communication.
2. What specific need will this contractor address?  
The contractor will address speech / language and therapeutic services for qualified sped students.
3. How was the contractor selected? Quotes? RFP? Sealed Bid or Sole Source? Please describe the selection process including other sources considered and the rationale for selecting this method of selection:  
Professional networking, competitive pricing, and positive history with district performance.
4. If this is a continuation service, when was the last time the alternatives were sought?  
March 5, 2020.
5. What specific skill set does this contractor bring to the project?

A specialized skill of speech and language therapy, which includes a master's degree and ASHA certification. Resume is attached.

6. How does this contractor fit into the project as a whole? (If the contractor is an individual, please attach a copy of their resume):  
Disabled students are legally required to an IEP to address their ability to access general education curriculum. Once a student is identified, the service is mandated by IDEA.
7. Is this a new or continuation service?  
Continuation of service at same rate.
8. If this is a continuation service has cost increased?
  - a) If yes, by how much?  
\$19,890.00, will be working 5 full days, instead of 4 days.
  - b) What would an alternative contractor cost?  
Ranges up to 110.00 per hour.
  - c) Is this a service existing staff could provide? Why or why not?  
Current caseloads already exceed the recommended number of 40 students per SLP without additional staff caseloads would increase to 70 or more.
9. Evidence of Effectiveness: How will the contractor's performance be monitored and evaluated?  
Evidence of effectiveness will be monitored through observation, timely submission of paperwork and compliance with IEP mandates.
10. If a continuation service, attach a copy of the previous evaluations or archival data demonstrating effectiveness. (If archival data includes lengthy reports, syllabi, training materials, etc., please have a copy available for review)
11. If the service is a professional development program, can the training be provided internally, by district staff?  
N/A
  - a) If not, why not?
  - b) How will the output of this Agreement contribute to building internal capabilities?
12. Why do you believe this Agreement is fiscally sound?  
Contractual services are required due to inadequate speech and language pathology positions within the district. Speech/language pathologists are a national critical shortage area. Because the expertise is in demand the fees can range from \$65.00 per half hour (\$130.00 hourly) to \$70.00 per hour. Fees can vary based on logistics and experience. Providers can also charge for assessments separately, \$200.00 - \$250.00 (Costhelperhealth.com, Invo Health, EBS). To simplify the provision of service for our district I have asked providers to charge hourly regardless of the activity (therapy, assessment, IEP meetings, etc.) Companies often solicit with attractive

This independent SLP contractor has been reliable over time. This independent contractor is local.

13. What are the implications of not approving this Agreement?

Disabled students will not receive appropriate intervention, hence failure to comply with IEP mandates can lead to state and federal complications.
