i. If this is a professional development program, can the service be provided by existing staff? If no, why not? N/A

Quotes
- c. Is the contractor the lowest bidder? If no, why? Why was this contractor selected?
No Critical shortage area. Excessive workload/caseload for staff.
- d. Who were the members of the selection committee that scored bid applications?
Dr. Glynis King Harrell and Stacie Ormond, Administrative Assistant.
- e. If the contractor is Sole Source, please attach a copy of the Sole Source designation letter from the City of New Haven Purchasing Department.

11. Evidence of Effectiveness & Evaluation

Answer all questions

- a. What **specific need** will this contractor address and how will the contractor's performance be measured and monitored to ensure that the need is met?
The contractor will address speech / language and therapeutic services for qualified sped students.
- b. If this is a **renewal/continuation service** attach a copy of the evaluation or archival data that demonstrates effectiveness.
- c. How is this service aligned to the District Continuous Improvement Plan?
Speech-language pathologists (SLP) are needed in the district to meet the communicative needs of our "at risk" and disabled students from Pre-K thru 12th grade. Success in academic, college and career all require effective communication.

12. Why do you believe this Agreement is fiscally sound?

Contractual services are required due to inadequate speech and language pathology positions within the district. Speech/language pathologists are a national critical shortage area. Because the expertise is in demand the fees can range from \$130.00 to \$150.00 per hour. Fees can vary based on logistics and experience. Providers can also charge for assessments separately, \$200.00 - \$250.00 (Connec-to-talk, Invo Health, EBS). To simplify the provision of service for our district I have asked providers to charge hourly regardless of the activity (therapy, assessment, IEP meetings, etc.) Companies often solicit with attractive rates, but often want a "finder's fee" and frequently don't have candidates readily available. They ask for a district commitment while they search for a candidate.

13. What are the implications of not approving this Agreement?

Disabled students will not receive appropriate intervention, hence failure to comply with IEP mandates can lead to state and federal complications.
