NEW HAVEN PUBLIC SCHOOLS

Memorandum

To: New Haven Board of Education Finance and Operations Committee
From: Bishop Woods Architecture & Design Magnet School
Date: 4/5/21
Re: New Haven Ecology Project/Common Ground

Please answer all questions and attach any required documentation as indicated below. Please have someone **ready to discuss** the details of each question during the Finance & Operations meeting or this proposal might not be advanced for consideration by the full Board of Education.

1. **Contractor Name: New Haven Ecology Project/Common Ground**

2. **Description of Service:**

Utilizing the knowledge and resources of Common Ground, makerspace design and development, professional learning, and technical support will be provided to help Bishop Woods realize the full potential of teaching outside to deepening the academic and emotional learning in all students grades K-8. As part of the outdoor space development, students will play an integral role in the design process and will incorporate the entire school community in understanding concepts of spatial equity, urban planning and design, and environmental concepts of nature and design. In addition, the Schoolyards Program will conduct professional learning workshops for teachers, support the design and installation of the outdoor space, and will support the curricular integration of outdoor and leaning and the inquiry process to meet the needs of the federal magnet grant.

3. **Amount** of Agreement and hourly or session cost: \$10,825.00

4. **Funding Source** and account number: 2517-6234-56694-0043

5. **Continuation/renewal or new Agreement?**

Answer all questions:

- a. If continuation/renewal, has the cost increased? If yes, by how much?
This is a continuation of service. The cost has not increased.
- b. What would an alternative contractor cost?
There is no alternative contractor to partner in this work with Bishop Woods.
- c. If this is a continuation, when was the last time alternative quotes were requested?
There is no alternative contractor to partner in the work, so quotes have not been requested from other contractors. Bishop Woods has consistently worked with Common Ground to reduce cost.
- d. For new or continuation: is this a service existing staff could provide. If no, why not?

Although existing staff and school committee can provide a portion of the existing service, the pandemic has shifted current staff to focus on intervention and acceleration of learning and this will limit time available for working directly with teachers in the outdoor spaces.

6. Type of Service:

Answer all questions:

a. Professional Development?

- i. If this is a professional development program, can the service be provided by existing staff? If no, why not?

The Schoolyards Program of Common Ground can support the integration of outdoor learning through the development of the outdoor makerspace, which is a unique feature specific to the Bishop Woods theme of architecture and design. Through the support of an embedded naturalist, teachers will learn best strategies in outdoor learning.

b. After School or Extended Hours Program?

The contractor may be able to provide after school programming to Bishop Woods students.

c. School Readiness or Head Start Programs?

Bishop Woods does not currently enroll in School Readiness or HeadStart.

d. Other: (Please describe)

7. Contractor Classification:

Answer all questions:

- a. Is the Contractor a Minority or Women Owned Business? The Contractor is overseen by a Board of Directors who represent members of the New Haven community.

- b. Is the Contractor Local? Yes, the Contractor is local and based in New Haven.

- c. Is the Contractor a Not-for-Profit Organization? If yes, is it local or national?

The Contractor is a local Not-for-Profit Organization.

- d. Is the Contractor a public corporation? No.

- e. Is this a renewal/continuation Agreement or a new service? Renewal.

- f. If it is a renewal/continuation has cost increased? If yes, by how much? Cost has decreased.

- g. Will the output of this Agreement contribute to building internal capabilities? If yes, please explain:

Yes, the Agreement will support the capacity of teachers to utilize the outdoors as a part of everyday instruction. Through guided professional learning opportunities and student integrated lessons, teachers will better develop meaningful and relevant lessons and units utilizing the existing and newly developed spaces at Bishop Woods.

8. Contractor Selection:

Answer all questions

- a. What specific skill set does this contractor bring to the project? If a new contractor, please attach a copy of the contractor's resume.

Common Ground is a leader in outdoor learning and processes the skillset necessary to support and enhance practices in schoolyards programming.

- b. How was the Contractor selected? Quotes, RFP/RFQ, Sealed Bid or Sole Source? Sole Source
- c. Please describe the selection process including other sources considered and the rationale for selecting this Contractor:
This contractor was selected because of their continued to commitment to Bishop Woods School and the students and families of New Haven. They possess the knowledge base, resources, and motivation to support outdoor learning in New Haven. No other contractors were considered for this partnership.

9. Evidence of Effectiveness & Evaluation

Answer all questions

- a. What specific need will this contractor address and how will the contractor's performance be measured and monitored to ensure that the need is met?
Performance will be evaluated by teacher and student feedback as well as program review by the schoolwide STEM Committee and district magnet office. Workshops and makerspace effectiveness including levels of staff and student engagement will be monitored through surveys and a developed peer review process.
- b. If this is a renewal/continuation service attach a copy of the evaluation or archival data that demonstrates effectiveness.
Please visit the Bishop Woods Outdoor Learning Google Site for information regarding Schoolyards implementation at Bishop Woods.
<https://sites.google.com/nhps.net/schoolyardhabitat/schoolyard-habitat-timeline>
- c. How is this service aligned to the District Continuous Improvement Plan?
This contract supports the school goals of STEM integration and Design Thinking as well as introducing and supporting project based learning through hands-on, minds-on collaborative projects and outdoor learning experiences. District goals are supported through the development of 21st century competencies including problem solving, critical thinking, and collaboration while developing the habits of mind to be ready for high school and beyond.

10. Why do you believe this Agreement is fiscally sound?

This agreement is fiscally sound because it meets the needs of the magnet grant requirements while providing a comprehensive service to the students of Bishop Woods.

11. What are the implications of not approving this Agreement?

By not approving the agreement, Bishop Woods students and staff would continue to utilize the spaces but would not be able to with the same depth and support to make outdoor learning as successful as it has been.

EXHIBIT B

**STUDENT DATA PRIVACY AGREEMENT
SPECIAL TERMS AND CONDITIONS**

For the purposes of this Exhibit B "directory information," "de-identified student information," "school purposes," "student information," "student records," "student-generated content," and "targeted advertising" shall be as defined by Conn. Gen. Stat. §10-234aa.

1. All student records, student information, and student-generated content (collectively, "student data") provided or accessed pursuant this Agreement or any other services agreement between the Parties are not the property of, or under the control of, the Contractor.
2. The Board shall have access to and the ability to delete student data in the possession of the Contractor except in instances where such data is (A) otherwise prohibited from deletion or required to be retained under state or federal law, or (B) stored as a copy as part of a disaster recovery storage system and that is (i) inaccessible to the public, and (ii) unable to be used in the normal course of business by the Contractor. The Board may request the deletion of any such student information, student records or student-generated content if such copy has been used by the operator to repopulate accessible data following a disaster recovery. The Board may request the deletion of student data by the contractor within two (2) business days of receiving such a request and provide to the Board confirmation via electronic mail that the student data has been deleted in accordance with the request, the date of its deletion, and the manner in which it has been deleted. The confirmation shall contain a written assurance from the Contractor that proper disposal of the data has occurred in order to prevent the unauthorized access or use of student data and that deletion has occurred in accordance with industry standards/practices/protocols.
3. The Contractor shall not use student data for any purposes other than those authorized pursuant to this Agreement.
4. A student, parent or legal guardian of a student may review personally identifiable information contained in student data and correct any erroneous information, if any, in such student data. If the Contractor receives a request to review student data in the Contractor's possession directly from a student, parent, or guardian, the Contractor agrees to refer that individual to the Board and to notify the Board within two (2) business days of receiving such a request. The Contractor agrees to work cooperatively with the Board to permit a student, parent, or guardian to review personally identifiable information in student data that has been shared with the Contractor, and correct any erroneous information therein.

5. The Contractor shall take actions designed to ensure the security and confidentiality of student data.
6. The Contractor will notify the Board, in accordance with Conn. Gen. Stat. § 10-234dd, when there has been an unauthorized release, disclosure or acquisition of student data. Such notification will include the following steps:

Upon discovery by the Contractor of a breach of student data, the Contractor shall conduct an investigation and restore the integrity of its data systems and, without unreasonable delay, but not more than thirty (30) days after such discovery, shall provide the Board with a more detailed notice of the breach, including but not limited to the date and time of the breach; name(s) of the student(s) whose student data was released, disclosed or acquired; nature of and extent of the breach; and measures taken to ensure that such a breach does not occur in the future.

7. Student data shall not be retained or available to the Contractor upon expiration of the contract between the Contractor and Board, except a student, parent or legal guardian of a student may choose independently to establish or maintain an electronic account with the Contractor after the expiration of such contract for the purpose of storing student- generated content.
8. The Contractor and Board shall each ensure their own compliance with the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, as amended from time to time.
9. The Contractor acknowledges and agrees to comply with the above and all other applicable aspects of Connecticut's Student Data Privacy law according to Connecticut General Statutes §§ 10-234aa through 10-234dd.
10. The Parties agree that this Agreement controls over any inconsistent terms or conditions contained within any other agreement entered into by the Parties concerning student data.
