From: Ivelise Velazquez, Assistant Superintendent for Curriculum & Instruction

Date: July 19, 2022

Re: Gateway Community College Agreement for Manufacture NH, 2022-23

The attachment is an agreement with Gateway Community College (GCC) to allow 45 New Haven high school students to participate and earn credits from GCC in the department of Manufacturing Engineering Technologies.

This year the district is launching the first year of its Manufacture NH Pathway with its first 9th grade cohort. Fifteen students at Cross, Hillhouse and Career high schools have enrolled. This agreement allows teachers from the three high schools to work closely with the professors at GCC to use and deliver instruction in three college courses as detailed in the agreement.

Additionally, the professors from Gateway will serve as academic advisors to the program throughout the year as they have this summer, when they hosted all the MNHP students for a 2-week book camp on manufacturing, STEM related activities. The agreement will coincide with the development of the two manufacturing labs at Cross and Hillhouse using federal funds earmarked with assistance from Congresswoman DeLauro. This agreement will launch the first phase in the partnership between NHPS and GCC to ensure all 45 students have access to up to 65 credits at GCC and an associate degree in manufacturing by the time they earn their high school diploma.

1. Statutory Authority:

Connecticut General Statutes §§ 10a-6, 10a-1b, 4a-52a, and/or 10a-151b provides COLLEGE with the authority to enter into contracts in the pursuit of its mission.

2. Professional Standards:

In rendering services under this contract, the Contractor shall conform to high professional standards of work and business ethic. The Contractor warrants that the services shall be performed 1) in a professional and workmanlike manner, and 2) in accordance with generally and currently accepted principles and practices. During the term of this contract, the Contractor agrees to provide to COLLEGE in a good and faithful manner, using its best efforts and in a manner that shall promote the interests of said COLLEGE, such services as COLLEGE requests, provided in this contract.

In performing services pursuant to this contract, Contractor, its employees and representatives shall at all times comply with all applicable federal and state statutes, regulations and laws, including, but not limited to, the Gramm-Leach-Bliley Act, the Family Educational Rights and Privacy Act ("FERPA") and related State Contracting Agency Policies, in the protection of all personally identifiable and other protected confidential information and non-directory student data.

The parties deem the Contract to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. 6. Sovereign Immunity:

The parties acknowledge and agree that nothing in this Contract shall be construed as a modification, compromise, or waiver by the State of any rights or defenses of any immunities provided by federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of this Contract. To the extent that this section conflicts with any other section, this section shall govern.

For purposes of this provision, "Goods" means all things which are movable at the time that the Contract is effective and which includes, without limiting this definition, supplies, materials and equipment.

- (b) The Contractor shall reimburse the State for any and all damages to the real or personal property of the State caused by the Acts of the Contractor or any contractor parties. The State shall give the Contractor reasonable notice of any such claims.
- (c) The Contractor's duties under this section shall remain fully in effect and binding in accordance with the terms and conditions of the Contract, without being lessened or compromised in any way, even where the Contractor is alleged or is found to have merely contributed in part to the Acts giving rise to the claims and/or where the State is alleged or is found to have merely contributed in part to the Acts giving rise to the claims. The Contractor shall not be responsible for indemnifying or holding the State harmless from any liability solely from the negligence of the State or any other person or entity acting under the direct control or supervision of the State.
- (d) The Contractor shall carry and maintain at all times during the term of the Contract, and during the time that any provisions survive the term of the Contract, sufficient general liability insurance to satisfy its obligations under this Contract. The Contractor shall cause the State to be named as an additional insured on the policy and shall provide (1) a certificate of insurance, (2) the declaration page and (3) the additional insured endorsement to the policy to the Client Agency all in an electronic format acceptable to COLLEGE prior to the effective date of the Contract evidencing that the State is an additional insured. The Contractor shall not begin performance until the delivery of these three (3) documents to COLLEGE. Contractor shall provide an annual electronic update of the three (3) documents to COLLEGE on or before each anniversary of the Effective Date during the Contract term. State shall be entitled to recover under the insurance policy even if a body of competent jurisdiction determines that the State is contributorily negligent.
- (e) This section shall survive the termination of the contract and shall not be limited by reason of any insurance coverage.

8. Termination:

- (a) Notwithstanding any provisions in this contract, COLLEGE, through a duly authorized employee, may terminate the contract whenever COLLEGE makes a written determination that such termination is in the best interests of the State. COLLEGE shall notify the Contractor in writing of termination pursuant to this section, which notice shall specify the effective date of termination and the extent to which the Contractor must complete its performance under the contract prior to such date.
- (b) Notwithstanding any provisions in this contract, COLLEGE, through a duly authorized employee, may, after making a written determination that the Contractor has breached the contract, terminate the contract in accordance with the following breach provision.
 - i. Breach. If either party breaches the contract in any respect, the non-breaching party shall provide written notice of the breach to the breaching party and afford the breaching party an opportunity to cure within ten (10) days from the date that the breaching party receives the notice. In the case of a Contractor breach, any other time period which COLLEGE sets forth in the notice shall trump the ten (10) days. The right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure but the nature of the breach is such that it cannot be cured within the right to cure period. The notice may include an effective contract termination date if the breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the termination date, no further action shall be required of any party to effect the termination as of the stated date. If the notice does not set forth an effective contract termination date, then the non-breaching party may terminate the contract by giving the breaching party no less than twenty-four (24) hours' prior written notice. If COLLEGE believes that the Contractor has not performed according to the contract, COLLEGE may withhold payment in whole or in part pending resolution of the performance issue, provided that COLLEGE notifies the Contractor in writing prior to the date that the payment would have been due.
- (c) COLLEGE shall send the notice of termination via certified mail, return receipt requested, to the Contractor at the most current address which the Contractor has furnished to COLLEGE for purposes of correspondence, or by hand delivery. Upon receiving the notice from COLLEGE, the Contractor shall immediately discontinue all services affected in accordance with the notice, undertake all commercially

reasonable efforts to mitigate any losses or damages, and deliver to COLLEGE all records. The records are deemed to be the property of COLLEGE and the Contractor shall deliver them to COLLEGE no later than thirty (30) days after the termination of the contract or fifteen (15) days after the Contractor receives a written request from COLLEGE for the records. The Contractor shall deliver those records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.

- (d) Upon receipt of a written notice of termination from COLLEGE, the Contractor shall cease operations as COLLEGE directs in the notice, and take all actions that are necessary or appropriate, or that COLLEGE may reasonably direct, for the protection, and preservation of the goods and any other property. Except for any work which COLLEGE directs the Contractor to perform in the notice prior to the effective date of termination, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.
- (e) COLLEGE shall, within forty-five (45) days of the effective date of termination, reimburse the Contractor for its performance rendered and accepted by COLLEGE in accordance with the terms of this contract, in addition to all actual and reasonable costs incurred after termination in completing those portions of the performance which the notice required the Contractor to complete. However, the Contractor is not entitled to receive and COLLEGE is not obligated to tender to the Contractor any payments for anticipated or lost profits. Upon request by COLLEGE, the Contractor shall assign to COLLEGE, or any replacement Contractor which COLLEGE designates, all subcontracts, purchase orders and other commitments, deliver to COLLEGE all records and other information pertaining to its performance, and remove from State premises, whether leased or owned, all of Contractor's property, equipment, waste material and rubbish related to its performance, all as COLLEGE may request.
- (f) For breach or violation of any of the provisions in the section concerning representations and warranties, COLLEGE may terminate the contract in accordance with its terms and revoke any consents to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor parties or any third party.
- (g) Upon termination of the contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive termination. All representations, warranties, agreements, and rights of the parties under the contract shall survive such termination to the extent not otherwise limited in the contract and without each one of them having to be specifically mentioned in the contract.
- (h) Termination of the contract pursuant to this section shall not be deemed to be a breach of contract by COLLEGE.
