NEW HAVEN PUBLIC SCHOOLS

Memorandum

To: New Haven Board of Education Finance and Operations Committee
From: Jessica Haxhi, Supervisor of World Languages
Date: July 3, 2023
Re: Global Interpreting Network, Inc.

Please answer all questions and attach any required documentation as indicated below. Please have someone **ready to discuss** the details of each question during the Finance & Operations meeting or this proposal might not be advanced for consideration by the full Board of Education.

1. **Contractor Name:** Global Interpreting Network, Inc.

Description of Service: Global Interpreting Network, Inc. provides on-demand, telephone-based interpretation and document translation. All schools and central office will have telephone access to real-time interpreters in more than 200 languages for family contact purposes.

2. **Amount** of Agreement and hourly or session cost: \$8,000 total Agreement; For Over-the-Phone Interpretation (OPI) of Spanish \$0.48 per minute. For all other languages, \$0.62/minute. Document translation services for \$0.10/word for Spanish and \$0.15-\$0.17/word for other languages.

3. **Funding Source** and account number: Title IVA SSAE Grant Carryover #2511-6291-56694-0000

4. **Continuation/renewal or new Agreement?**

Answer all questions:

- a. If continuation/renewal, has the cost increased? If yes, by how much? This is a continuation agreement. The cost has not increased.
- b. What would an alternative contractor cost: I contacted the vendors that are listed on the NASPO Agreement #90-000-18-00003. This vendor had the lowest price for Spanish, which is our most requested language, competitive pricing and availability for other languages we need, and offers the services we want (phone, video, documents). They also had the most responsive customer service department.
- c. If this is a continuation, when was the last time alternative quotes were requested? I contacted all of the local CT contract services on the NASPO contract in June of 2022.
- d. For new or continuation: is this a service existing staff could provide. If no, why not? For on-demand phone translation in 200+ languages this is the most immediate, convenient, and inexpensive option. We cannot provide staff for such a service.

5. Type of Service:

Answer all questions:

- a. Professional Development? no
 - i. If this is a professional development program, can the service be provided by existing staff? If no, why not?
- b. After School or Extended Hours Program? no
- c. School Readiness or Head Start Programs? no
- d. Other: (Please describe). On-demand phone-in translation service, video-based translation service, and occasional document translation.

6. Contractor Classification:

Answer all questions:

- a. Is the Contractor a Minority or Women Owned Business? This business is owned by Hector Fuentes, from El Salvador. They are currently pursuing official "Minority Owned Business" status. They are a Certified Small Business (#56707)
- b. Is the Contractor Local? No
- c. Is the Contractor a Not-for-Profit Organization? If yes, is it local or national? No
- d. Is the Contractor a public corporation? Yes
- e. Is this a renewal/continuation Agreement or a new service? Continuation
- f. If it is a renewal/continuation has cost increased? If yes, by how much? There is no cost increase.
- g. Will the output of this Agreement contribute to building internal capabilities? If yes, please explain: Only in the sense that it encourages teachers to reach out to parents, even if there is a language barrier.

7. Contractor Selection:

Answer all questions

- a. What specific skill set does this contractor bring to the project? If a new contractor, please attach a copy of the contractor's resume. This contractor offers 24/7/365 on-demand phone-in and video translation service for over 200 languages. For Spanish, connection is almost instantaneous; for others within just a few minutes. They will provide us with our own 800 number and a pin number for each school so that we can track usage of the service online at any time.
- b. How was the Contractor selected? Quotes, RFP/RFQ, Sealed Bid or Sole Source? NASPO #90-000-18-00003.
- c. Please describe the selection process including other sources considered and the rationale for selecting this Contractor: I contacted all of the vendors that are listed on the Connecticut Contract #19PSX042. This vendor had the lowest price for Spanish (\$0.48/minute), which is our most requested language, competitive pricing and availability for other languages we need, and offers the services we want (phone, video, documents). They also had the most responsive customer service department.

8. Evidence of Effectiveness & Evaluation

Answer all questions

- a. What specific need will this contractor address and how will the contractor's performance be measured and monitored to ensure that the need is met? Having access to this service, as noted in the Title IVA grant, promotes communication with parents and parent involvement in schools when there are language barriers. Because so many languages are offered, we can ensure that teachers and administrators have the ability to interact with *all* parents. For monitoring, Jessica Haxhi is able to access usage data and check-in with schools that use the service to ask them to review its ease-of-use and effectiveness. In addition, she sends a survey to those who use the service often to determine satisfaction; comments on those surveys led to discontinuation of our contract with the previous vendor.
- b. If this is a renewal/continuation service attach a copy of the evaluation or archival data that demonstrates effectiveness. PPT Chairs and Assistant principals who use the service the most were contacted for anecdotal responses about how the service is working. All commented that is a valuable service for use with families with quality customer service. Please see last year's usage information, attached to this document.
- c. How is this service aligned to the District Continuous Improvement Plan? It allows schools and teachers to reach out to families to improve parental involvement in any language that the family speaks.

9. Why do you believe this Agreement is fiscally sound?

This service is much cheaper than commercially available rates for in-person interpreting. Professional in-person interpretation services require at least a 1-hour minimum fee (\$60-\$70) and most have a minimum charge for 2 hours, plus travel (up to \$200 per meeting); less common languages can cost much more (up to \$300 per meeting).

If a school only needs to talk to a parent for 10 minutes, for example, this service only costs \$4.80 for that call in Spanish or \$6.20 for other languages, with no minimum number of minutes/hours nor any travel fees for an interpreter.

In addition, the inclusion of this company in NASPO Agreement #90-000-18-00003 indicates that the State has deemed them as fiscally appropriate for use by state agencies.

10. What are the implications of not approving this Agreement?

Schools have grown accustomed to using phone and video-based translation services this past year especially. Without it, they would not be able to get in touch with parents who speak languages other than English without finding an in-person translator. In addition, as this is funded through the Title IVA SSAE 2023 grant, if the agreement is not approved, that money will have to be repurposed or returned to the state.
