**EXHIBIT B**

**STUDENT DATA PRIVACY AGREEMENT  
SPECIAL TERMS AND CONDITIONS**

For the purposes of this Exhibit B "directory information," "de-identified student information," "school purposes," "student information," "student records," "student-generated content," and "targeted advertising" shall be as defined by Conn. Gen. Stat. §10-234aa.

1. All student records, student information, and student-generated content (collectively, "student data") provided or accessed pursuant this Agreement or any other services agreement between the Parties are not the property of, or under the control of, the Contractor.
2. The Board shall have access to and the ability to delete student data in the possession of the Contractor except in instances where such data is (A) otherwise prohibited from deletion or required to be retained under state or federal law, or (B) stored as a copy as part of a disaster recovery storage system and that is (i) inaccessible to the public, and (ii) unable to be used in the normal course of business by the Contractor. The Board may request the deletion of any such student information, student records or student-generated content if such copy has been used by the operator to repopulate accessible data following a disaster recovery. The Board may request the deletion of student data by the contractor within two (2) business days of receiving such a request and provide to the Board confirmation via electronic mail that the student data has been deleted in accordance with the request, the date of its deletion, and the manner in which it has been deleted. The confirmation shall contain a written assurance from the Contractor that proper disposal of the data has occurred in order to prevent the unauthorized access or use of student data and that deletion has occurred in accordance with industry standards/practices/protocols.
3. The Contractor shall not use student data for any purposes other than those authorized pursuant to this Agreement.
4. A student, parent or legal guardian of a student may review personally identifiable information contained in student data and correct any erroneous information, if any, in such student data. If the Contractor receives a request to review student data in the Contractor's possession directly from a student, parent, or guardian, the Contractor agrees to refer that individual to the Board and to notify the Board within two (2) business days of receiving such a request. The Contractor agrees to work cooperatively with the Board to permit a student, parent, or guardian to review personally identifiable information in student data that has been shared with the Contractor, and correct any erroneous information therein.

5. The Contractor shall take actions designed to ensure the security and confidentiality of student data.
6. The Contractor will notify the Board, in accordance with Conn. Gen. Stat. § 10-234dd, when there has been an unauthorized release, disclosure or acquisition of student data. Such notification will include the following steps:

Upon discovery by the Contractor of a breach of student data, the Contractor shall conduct an investigation and restore the integrity of its data systems and, without unreasonable delay, but not more than thirty (30) days after such discovery, shall provide the Board with a more detailed notice of the breach, including but not limited to the date and time of the breach; name(s) of the student(s) whose student data was released, disclosed or acquired; nature of and extent of the breach; and measures taken to ensure that such a breach does not occur in the future.

7. Student data shall not be retained or available to the Contractor upon expiration of the contract between the Contractor and Board, except a student, parent or legal guardian of a student may choose independently to establish or maintain an electronic account with the Contractor after the expiration of such contract for the purpose of storing student-generated content.
8. The Contractor and Board shall each ensure their own compliance with the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, as amended from time to time.
9. The Contractor acknowledges and agrees to comply with the above and all other applicable aspects of Connecticut's Student Data Privacy law according to Connecticut General Statutes §§ 10-234aa through 10-234dd.
10. The Parties agree that this Agreement controls over any inconsistent terms or conditions contained within any other agreement entered into by the Parties concerning student data.

## Scope of Services

Prepared for • High School in the Community  
175 Water St.

New Haven CT 06511

ATTN: Cari Strand

Cari.Strand@new-haven.k12.ct.us

*Thank you for the opportunity to continue partnering with High School in the Community. As the Founder and Director of Grinand Bare, I am excited to offer my expertise in leadership development, student engagement, and content creation with the ultimate goal of creating systems and structures that can thrive well beyond the duration of our partnership, for years to come, impacting hundreds of student leaders and the greater HSC community.*

### SCOPE OF SERVICES

Activity 1: Build, collaborate, and support current HSC programming focused on student leadership. This will include, but is not limited to: supporting the development and facilitation of the Leadership 101 course and subsequent Production Companies, supporting and further developing project-building skills and mentorship skills through Senior Seminar and subsequent Capstone projects, and supporting and further developing WILD programming and other student leadership-focused experiences. While a significant amount of this work will focus on direct service to students through team and whole class experiences, there will be collaboration with teachers and staff members to create the highest level of integration and impact.

Activity 2: 1-1 and small group coaching. This will focus primarily on coaching students in leadership skills and strategies, as well coaching students through project building skills in Senior Seminar/Capstone projects. There will also be opportunity to coach teachers and staff members connected to these student groups/classes on an as needed/as desired basis.

Activity 3: Ongoing organizational support with HSC leadership team regarding student leadership systems and structures. This work will focus on identifying strategies and systems for maintaining and increasing student leadership for the remainder of the 2022-23 academic year, with an eye at looking forward to the start of the 2023-24 academic year.

**STAFF + COST**

Per approval, the activities detailed would occur over the time period from January to June 2023. We anticipate approximately 25 billable hours per month. Over this six month duration of proposed services, this totals 150 hours. And at our going rate of \$150 per hour, which includes any overhead and additional costs incurred through programming, the cost of this scope of services equals \$22,500. Hours can be billed and submitted on whatever schedule best suits HSC and NHPS.

If additional Grinand Bare staff is brought on to support in any part of programming, or if travel is required to fulfill the agreement, this will come at no additional cost to HSC or NHPS; Grinand Bare is responsible for said costs.

Hi Cari,

Yes, please keep me in mind if you are looking for any programs after 2:30pm. Right now my individual rate is \$50 for 1/2 hour, \$175 for 45 minutes in a group setting and \$125/ hour for consultation fee. I recommend groups of 6-8 students at a time for a more intimate and personal experience. I currently run an 8 week group program that covers gratitude, strengths, journaling, thought work and healthy habits. We use a workbook to track progress and growth. I am happy to chat more if you feel there is a need for these services.

With gratitude,  
Jennifer
