8. Contractor Selection:

GCC brings the academic expertise, the administrative staffing support, the accreditation, the teaching faculty, and the college campus environment that are essential to HSC providing an Early College model.
- b. How was the Contractor selected? Quotes, RFP/RFQ, Sealed Bid or Sole Source?
- c. Please describe the selection process including other sources considered and the rationale for selecting this Contractor: GCC was listed in the federal grant submission by New Haven Public Schools as the Early College provider for HSC to support the terms and outcome of the grant.

9. Evidence of Effectiveness & Evaluation

Answer all questions

- a. What specific need will this contractor address and how will the contractor's performance be measured and monitored to ensure that the need is met? This grant provides students with the opportunity to begin earning college credits as early as their freshman year. Students who take college courses throughout their four years at HSC have impressive college applications and may earn a semester or more's worth of transferrable credits. The MSAP demands a 3rd party evaluation yearly and the partnership of GCC and HSC will be included in this year's evaluation. The success of HSC's students in GCC courses will be a significant outcome in these evaluations. Additionally, HSC's success in attracting a larger and wider range of students to our school is an additional metric that is measured and reported on and that these GCC courses will influence. We have increased our school's enrollment by 15% and our applicant base by over 30%.
- b. If this is a renewal/continuation service attach a copy of the evaluation or archival data that demonstrates effectiveness.
- c. How is this service aligned to the District Continuous Improvement Plan? This program aligns closely with NHPS Strategic Plan Goal 4: Preparation for College, Career and

Life. Students who participate are better prepared for college and may even finish college early depending on the number of credits transferred when they matriculate.

10. Why do you believe this Agreement is fiscally sound? This is the same rate all other schools receive from GCC and we believe it is fair.
11. What are the implications of not approving this Agreement? If this program is not approved, HSC students will need to wait until their junior year to begin taking college course. This would impact our current students who are ready and eager for new academic challenges, as well as our recruitment, as the tuition-free early college courses are a draw for families.
