To whom it may concern:

The work you are performing for the City of New Haven is considered a "service" under the City's Living Wage Ordinance. The ordinance, passed by the Board of Alderman in April 1997, as part of an initiative to assure that all who work on City contracts made enough money by their labors to rise out of poverty and obtain vital health care for themselves and their families.

In accordance with this goal, you have been awarded the above referenced contract and have agreed to pay a set minimum wage to your employees who participate in said work. In addition, you are required to meet certain other requirements set forth in the Ordinance.

The City of New Haven's current Living Wage is \$17.42 per hour for the fiscal years July 1, 2020 through June 30, 2021.

The enclosed package includes the following:

- A brief description of the City's Living Wage Ordinance.
- Measures you must undertake when hiring individuals to perform this work.
- Information which must be posted at any work sites on City property.
- Wage report forms, which must be based on your payroll ending dates (weekly, biweekly, etc). You may use your own form as long as the required information is included.
- It is your responsibility to retain all the certified payroll for this contract. We will only request them from you if there is a complaint.
- A detailed description of the measures the City may take to assure compliance with this ordinance.

Very truly yours,

City of New Haven
Controller

The Living Wage Ordinance provides for:

- An hourly wage may not be reduced to achieve the stipulated living wage;
- Employees being informed of the appropriate minimum wage they should receive under the ordinance;

- Fines and penalties in the event an employer remains non-compliant.

If you feel that your employer has not complied with the Living Wage Ordinance, please detach the form below and return it to the City of New Haven, Controller, 200 Orange Street, New Haven, CT 06510.
