Key Questions:

1. **Please describe how this service is strategically aligned with school or District goals.**
The service is to perform snow removal services district wide.
2. **Please describe the evidence of effectiveness for this contractor. In addition, how is or will the contractor be evaluated? If a continuation service, what are the results of last year's evaluation? Inspections and maintenance reports are provided.**
The contractor's performance is inspected by the Board of Education staff and it is tracked through the work order system.
3. **Why do you believe this agreement is fiscally sound? Include how the contractor was selected (various quotes vs. RFP vs. Sole Source), whether and why the cost has increased over last year (if continuation), and what an alternative might cost.**
4. This contract was awarded to the lowest bidder in each zone (school). This vendor is awarded 31 schools as they were low bidders. This vendor is an SCDP participant as well as and MBE, WBD as well as a New Haven Based Enterprise. The price will remain the same as last year.
