VENDOR "BAN THE BOX" ORDINANCE COMPLIANCE AGREEMENT

Adopted 02/09

The City of New Haven is subject to Ordinance #1585 (2/17/2009) which prohibits unfair discrimination in City hiring policies against persons previously convicted and provides a mechanism to ensure that persons and businesses supplying goods and/or services to the City of New Haven have adopted and employ fair hiring policies and practices that are consistent with the City's goal of removing obstacles to the employment of persons with prior convictions.

Accordingly, during the performance of this contract, the Contractor agrees as follows:

(A) Vendors doing business with the City of New Haven shall adopt and employ conviction history policies, practices, and standards that are consistent with City standards further detailed in the attached ordinance. The Vendors' criminal history standards will be part of the criteria to be evaluated by the City as to whether to award a City contract. Further, the City will be able to evaluate a Vendor's execution of the criminal history standards as a part of the performance criteria of said City contract(s); the Awarding Authority, in consultation with the Office of Corporation Counsel and the Community Services Administration, shall consider any Vendor's deviation from these criminal history standards as grounds for rejection, rescission, revocation, or any other termination of the contract.

(B) Under exigent circumstances, an Awarding Authority, by its highest ranking member, in consultation with the Office of Corporation Counsel and the Community Services Administration, may grant a Vendor a waiver of the criminal history standards on a contract-by-contract basis. A written record of the waiver shall be kept on file by the Awarding Authority, the Community Services Administration and the Office of Corporation Counsel, and shall also be submitted to the City of New Haven Commission of Equal Opportunities. The written record shall include, but not be limited to: (a) a summary of the terms of the contract, (b) the details of the Vendor's failure or refusal to conform to the City's criminal history standards, and (c) a brief analysis of the exigency causing the grant of waiver. No waiver may be considered perfected unless the Awarding Authority fully complies with the provisions of this sub-section.

(C) A Vendor may contact the Community Services Administration to report any problems, concerns or suggestions regarding the implementation, compliance and impact of these sections, and the Community Services Administration shall log every comment received with a summary of the comment and shall keep on file any written comments. Subsequent to logging any comment the Community Services Administration shall refer all complaints to the Office of the Corporation Counsel and shall notify the relevant Awarding Authority of the complaint and any further investigation that the Community Services Administration in consultation with the Office of Corporation Counsel deems necessary or appropriate.

To whom it may concern:

The work you are performing for the City of New Haven is considered a "service" under the City's Living Wage Ordinance. The ordinance, passed by the Board of Alderman in April 1997, as part of an initiative to assure that all who work on City contracts made enough money by their labors to rise out of poverty and obtain vital health care for themselves and their families.

In accordance with this goal, you have been awarded the above referenced contract and have agreed to pay a set minimum wage to your employees who participate in said work. In addition, you are required to meet certain other requirements set forth in the Ordinance.

The City of New Haven's current Living Wage is \$17.42 per hour for the fiscal years July 1, 2020 through June 30, 2021.

The enclosed package includes the following:

- A brief description of the City's Living Wage Ordinance.
- Measures you must undertake when hiring individuals to perform this work.
- Information which must be posted at any work sites on City property.
- Wage report forms, which must be based on your payroll ending dates (weekly, biweekly, etc). You may use your own form as long as the required information is included.
- It is your responsibility to retain all the certified payroll for this contract. We will only request them from you if there is a complaint.
- A detailed description of the measures the City may take to assure compliance with this ordinance.

Very truly yours,

City of New Haven
Controller

NOTICE TO EMPLOYEES ON THIS SITE

Work performed for the above-cited contract requires you to be compensated at no less than \$17.42 per hour from 7/1/2020 through 6/30/2021. This is required by the City's Living Wage Ordinance, as enacted by the New Haven Board of Aldermen on April 24, 1997, Article XVII, Section 2-221 to Section 2-240.

The Living Wage Ordinance provides for:

- Non technical, non-trade, non-union (carpenter, plumber, etc.) service workers be provided the wage rate listed above,
- An hourly wage may not be reduced to achieve the stipulated living wage;
- Employees being informed of the appropriate minimum wage they should receive under the ordinance;
- The contractor submits wage reports based on your payroll ending dates (weekly, biweekly, etc.) within one week of the end of payroll of the payroll period to the City of New Haven detailing hourly wage paid to all employees under the above cited contract;
- An employee's right to file a complaint with the City of New Haven regarding an employer's non-compliance with this ordinance;
- Restitution to the employee of wages owed under the ordinance, should review of contractor records reveal non-compliance with the Living Wage Ordinance or should a finding be made in favor of a complaining employee; and
- Fines and penalties in the event an employer remains non-compliant.

If you feel that your employer has not complied with the Living Wage Ordinance, please detach the form below and return it to the City of New Haven, Controller, 200 Orange Street, New Haven, CT 06510.
