Re: Public Allies Connecticut partnership at Edgewood School

Executive Summary/ Statement: (Please provide 1-2 sentences describing the Service – do not leave blank):

This partnership will yield a service corps member from the Public Ally organization who will work full-time at Edgewood School to center their work on student empowerment. This person will work with focus groups of students to gather student-generated ideas and projects. Projects might include community service events, facilitating our Guest Artist Program, student-led products (e.g., newspapers, video news shows), and student voice events (e.g., poetry slams, vigils, marches, etc.).

Amount of Agreement and the Daily, Hourly or per Session Cost: TOTAL: \$16,300

Funding Source & Account #: ARP ESSER III Carryover: 2553 6399 56694 0012

Key Questions: (Please have someone ready to discuss the details of each question during the Finance & Operations meeting or this proposal might not be advanced for consideration by the full Board of Education):

1. Please describe how this service is strategically aligned to the District Continuous Improvement Plan?

This service fits best under the goal of Youth & Family Engagement. The corps member will support student engagement, extended learning opportunities, at-risk youth success, and attendance efforts.

2. What specific need will this contractor address?

During our CoVID shutdown period, student engagement and empowerment became even more difficult than a typical year; as a result, student leadership groups did not regularly meet. Additionally, the district and school experienced higher chronic absenteeism and less engagement than in previous years. Having an ally devoted to this work will help re-engage student leadership groups, recruit at-risk students to participate, and empower their collective work.

3. How was the contractor selected? Quotes? RFP? Sealed Bid or Sole Source? Please describe the selection process including other sources considered and the rationale for selecting this method of selection:
Sole Source: Public Allies CT has partnered with local school districts including New Haven in the past; they are the only organization that provides this type of service and includes all necessary training and professional development for their corps members.
4. If this is a continuation service, when was the last time the alternatives were sought?
Continuation
5. What specific skill set does this contractor bring to the project?
This video will best answer this question: <https://www.youtube.com/watch?v=maVd8jvyiAU>
6. How does this contractor fit into the project as a whole? (If the contractor is an individual, please attach a copy of their resume):
The Public Ally CT organization will provide a service corps member who will work on-site full time for the 2022-2023 academic year.
7. Is this a new or continuation service? Continuation
8. If this is a continuation service has cost increased? No
a) If yes, by how much?

b) What would an alternative contractor cost? n/a

c) Is this a service existing staff could provide? Why or why not? Not for the price that Public Allies charges
9. Evidence of Effectiveness: How will the contractor's performance be monitored and evaluated? Please see the attached *Member Position Description Worksheet* noting Service Objectives 1-3. These service objectives will provide measures for performance monitoring and evaluation.
10. If a continuation service, attach a copy of the previous evaluations or archival data demonstrating effectiveness. (If archival data includes lengthy reports, syllabi, training materials, etc., please have a copy available for review)
11. If the service is a professional development program, can the training be provided internally, by district staff?

a) If not, why not?

b) How will the output of this Agreement contribute to building internal capabilities?
12. Why do you believe this Agreement is fiscally sound? This agreement uses a small amount of funds to hire a full-time employee. The district could not hire an employee for this cost when you include benefits. It is a significant deal!

13. What are the implications of not approving this Agreement? We will not be equipped to re-engage and empower as many students without this person.
