MEMORANDUM

TO: NHPS Finance and Operations Committee
FROM: Michael J. Pinto, NHPS Chief Operating Officer
Gail Sharry, Executive Director, Food and Nutrition Program
Michael Gormany, Interim City Budget Director
DATE: May 14, 2020
RE: F&O Agenda Item Request/Approval
Renewal of Contract for Fresh Fruit and Vegetable Products for fiscal year 2020-21
MEETING: June 01, 2020

Executive Summary: Approval is requested for the renewal of contract under RFP#2020-05-1293 to Roch's Fresh Foods, 30 Arnold Farm Road, West Greenwich, RI for the purchase of fresh fruit and vegetable products for the NHPS Food Service Program for FY 2020-21, in an amount not to exceed \$800,000.00.

Funding Source: Food Services, Acct. #25215200-55587

Key Questions:

- 1. Please Describe how this service is strategically aligned with school or District goals:**
The Mission of the Food Service Department is to ensure that delicious, health meals are available to all New Haven students. We strive to serve good quality meals utilizing ingredients from many local producers that promote the health and wellness of students, so they can be more productive in the classroom. This will help meet the district's goals: economical, quality, and sustainable food service program.
- 2. Please describe the evidence of effectiveness for this contractor. In addition, how is or will the contractor be evaluated? If a continuation service, what are the results of last year's evaluation?**
Vendor(s) are evaluated throughout the school year based on product sensory (food evaluation) delivery expectations, customers service, and other criteria set at the beginning of the school year. All vendors mentioned above have been used with no issues.
- 3. Why do you believe this agreement is fiscally sound? Include how the contractor was selected (various quotes vs. RFP vs Sole Source), whether and why the cost has increased over last year (if continuation), and what an alternative might cost?**
The Vendor(s) was selected based on RFP #2020-05-1293 results from FY 2019-20.
