VI. ADDITIONAL INFORMATION:

Please Answer All Questions -- Use Additional Pages if Necessary

1. **Please state specific goals for this grant or the grant period.**
 - Improving the instructional program for English learners by identifying, acquiring, and upgrading curricula, instructional materials, educational software, and assessment procedures.
 - Improving the English language proficiency and academic achievement of English learners.
 - Providing to English learners—

- Tutorials and academic or career and technical education; and
- Intensified instruction, which may include materials in a language that the student can understand, interpreters, and translators

a. If this is a continuation grant, please detail past year goal performance and accomplishments. Use additional space if needed:

Please see the attached *Title III Annual Evaluation Report* for the 2021-2022 academic year

2. How does this grant address School Reform goals?

In accordance with the district's curriculum framework and CCSS, academic achievement for students in the program includes two components: 1) what the students are to know and be able to do in the various content areas in their native language and English; and 2) acquisition of English proficiency, including literacy and English for communication and academic learning. Program goals and curriculum standards include those established for all students enrolled in the New Haven Public Schools, with subject matter instruction offered with English as a Second Language support.

3. Please explain why this proposal is significant and important in relation to improving student and/or staff performance, as well as any additional pertinent information that is specific and relevant: (Include resume of person(s) providing service for contracts \$10,000 and over)

By providing PD to general education content teachers, we will be able to better address the educational needs of multilingual learners and decrease the achievement gap with the state; increase the graduation rate; and ensure all graduates have the tools and knowledge to succeed in college, career and life.
