School Social Work Department Monthly Newsletter

September 2024

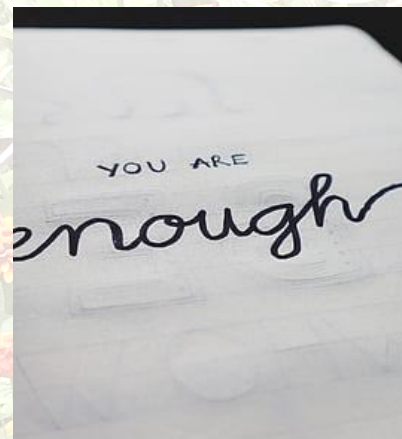

Welcome to Wilbur Cross High School

Hello Wilbur Cross students, staff, families, and community members! We are the Cross School Social Workers! Our role includes providing support and resources to students, families, and our broader school community. We work closely with teachers, administrators, and parents to ensure the well-being of our students.

We are dedicated to helping students reach their full potential by fostering self-understanding and acceptance, improving relationships with others, aiding in decision-making, and supporting the development and achievement of their goals. Our services range from counseling and assistance with personal, family, and school-related issues to staff and community outreach and support.

Throughout this academic year, the dedicated social work team is committed to producing a monthly newsletter that aims to provide valuable support and resources to our students, families, teachers, and the wider community. Our goal is to ensure that the content is not only informative but also enjoyable for all our readers. We look forward to sharing this with you!

Please feel free to reach out to us with any concerns, questions, or suggestions.
